The Leukemia & Lymphoma Society (LLS)

Our mission: to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families.

The Need Is Critical

Leukemia causes more deaths than any other cancer among children and young adults under the age of 20.

Every 4 minutes someone is diagnosed with a blood cancer, and every 10 minutes someone loses their battle to one of these diseases.

An estimated 1,012,533 people in the US are living with or in remission from a blood cancer.

The Leukemia Cup Regatta (LCR), a national fundraising event series sponsored by The Leukemia & Lymphoma Society (LLS), is a great opportunity for sailing, racing and boating enthusiasts and businesses to support LLS' fight against blood cancers. **The 2012 Leukemia Cup Regatta presented by COMCAST includes: Friday night reception and silent auction, and Saturday's offshore ECSA racing followed by the fun Post-Race Party at Pilots Point Marina with music, raffles and live auction and the prestigious Leukemia Cup Awards for top fundraisers!** Participants sail, crew or cheer while raising funds for the crucial fight against blood cancers.
