

**The Leukemia Cup Regatta
Presented by
St. Joseph's/Candler**

What: The Leukemia Cup Regatta, organized by members of the Savannah Yacht Club, spans five days, has 800 participants, 60 sponsors and has raised over \$2.5 million since its inception in 1997.

The St. Joseph's/Candler Leukemia Cup Regatta is more than boats and crew racing. In Savannah, it is a community coming together through a Weekend of Events to help fight leukemia, lymphoma, and other blood cancers. The Weekend of Events includes; golf, half-rubber, junior fishing, in-shore fishing, tennis, sailing, black-tie dinner and auction and a Luau for Leukemia.

When: The dates for the 2010 Leukemia Cup Regatta are September 20, 24-26.

Why: To save lives.

The St. Joseph's/Candler Leukemia Cup Regatta will generously benefit The Leukemia & Lymphoma Society, the world's largest voluntary health organization dedicated to funding blood cancer research and providing education and patient services. We support the relentless pursuit of the mission: Cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families

The money raised at the event will go towards critical research to increase the survival rates of the 912,938 Americans who are now living with leukemia, Hodgkin or non-Hodgkin lymphoma or myeloma. We do it for the patient, age 14, that was told they have a 19% survival rate, and in May 2010, they will graduate high school.
