The mission of The Leukemia & Lymphoma Society is to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life for patients and their families

## matching gift guide

Many companies support LLS by offering a **Matching Gift** program. When an employee of a participating company makes a donation to LLS, their employer will make a donation too — usually they match the donation 100%, but some companies offer double or triple matches as well. This is an easy way to increase the power of your contribution!

### how to:

1. To find out if a company matches gifts to LLS, visit [www.matchinggifts.com/lls](http://www.matchinggifts.com/lls) or ask your company's HR department.
2. If you're a participant, make sure to ask all of your donors if their company has a matching gift program.
3. Check with your HR department about how to submit a matching gift request. In many cases, you will fill out a simple online or paper form. You may need proof of your original donation—the email you received after making your donation will usually work.
4. Make sure to select the **Washington/Alaska Chapter** of LLS when filling out the form! Please select our **Seattle address**: 123 NW 36th St # 100, Seattle, WA 98107.  
**If you can't select our chapter, please write "Washington/Alaska Chapter" and the name of the event in the notes/comment box.**
5. LLS will receive a request from your company and will confirm the donation.
