**WHO:** Since 1997, members of the Leukemia Cup Executive Committee and our community have worked tirelessly to expand the series to a community-wide series of sporting events. In that time, participants and sponsors of these events have raised over \$6 million for LLS.

**WHAT:** The Leukemia Cup Regatta Series of Events evolved as part of the Leukemia Cup Regatta after the Olympics came to Savannah in 1996. The Golf Invitational has been an integral part of the series since 1999. Over the years, thousands of golfers have joined together to enjoy a day on the links while raising funds for the LLS mission.

**WHY:** To find a cure for blood cancers and improve the lives of patients and their families. Thanks to generous people like you, this is a new world. Hundreds of thousands of people diagnosed with blood cancer are today living normal, productive lives. Your support and contributions accelerate miraculous new treatments and healing therapies once thought impossible.

**Since 2017, the FDA has approved 65 new therapies for blood cancer treatments. The Leukemia & Lymphoma Society has helped advance 55 of them.**

**TOURNAMENT DETAILS:**

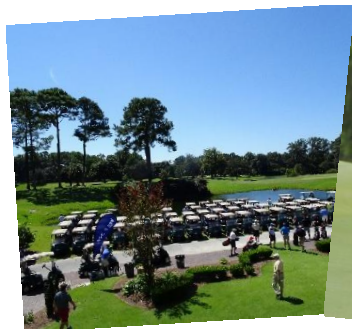

1:00pm shotgun start with scramble format.

Spaces are limited so reserve your team's place early.

Each golfer is provided with a bag lunch, shirt, balls, swag bag, soft drinks and beer.

Awards will be announced virtually via email and social media due to Covid-19 restrictions.
